5. When filling out your order form please remember- **NEAT HAND WRITING MATTERS!** The lab will print the child's name exactly as it appears on the form. Please include your child's team, coach and uniform/jersey number. They also need to be able to read the address so it can be delivered to the player's home.
6. Coaches- Please check in at the cashier's table. As soon as all of your players are present and have completed their payments, we will line up your team shortest to the tallest and walk them over to the photo stations. Each child will hand their order form to the photographer when it is his/her turn to be photographed.

7. We have a few other cool items that are not on the order form. There is a full size ball with a team and individual photo for \$54.95-\$65 (price varies on sport and panels) Sports Chair for \$65 and Blinking Photo Badges for \$10. We will have separate order forms for these at the cashier's table. Come by the table to check them out.
  
8. PRIVATE PHOTO SHOOTS- If you cannot attend the scheduled Photo Day, a Private Photo shoot can be arranged for a \$200 Booking fee with 90% of players purchasing photo orders. Saturdays are usually booked, but we will try to accommodate you as best we can. Monday-Thursday evenings are the best option.
